

TEA & TALK FOR SENIORS

SESSION 2—DATING AS AN OLDER ADULT

Tuesday, February 28, 2017
10:30 am - 12:00 noon
Adelaide Place, 84 Adelaide St. S., Lindsay

Dating can be both fun and challenging at any age. Many older adults fear violence and abuse at the hands of strangers, through robbery or home invasions. Research shows however, that seniors are more likely to be physically abused by their spouse or common-law partner, than a stranger. It is important to have the tools to build safe and healthy relationships and know where to turn for support when needed.

Carrie Jenkins, of Kawartha Lakes Police Service and Lisa Davey for the HKPR Health Unit will join you and Start the Conversation!
